5 strategies
that will test
your nerve...p. 20

Product Review

Huff, Puff and... Vroom!

Your best performers need to leave work behind and find time for fun. You can encourage them by offering these new sports and recreation items as rewards and incentives.

Rugged Fun

Dangle the Polaris Ranger RZR (Razor) as a reward and watch the sales team roll right over its goals. The RZR has a true all-wheel drive (AWD) system that automatically engages when the driver needs more forward traction and reverts back to 2WD automatically when AWD is no longer needed. Available in green or red. *For more information, circle (205) on the FastFax form at the back of this issue or contact Incentive Concepts (www.incentiveconcepts.com) at 888-862-9283.*

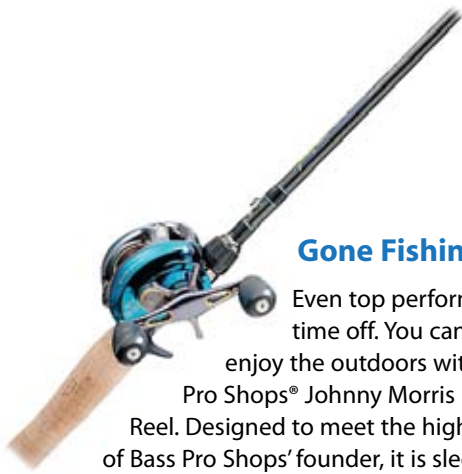

The Comforts of Home

Eureka's camping table and bench set seats four people comfortably for an enjoyable camp dinner or a game of cards. Remarkably sturdy and wobble-free, the benches quickly convert to a clever carrying case for the table, so packing is simple when a campout or tailgate party is over. *For more information, circle (203) on the FastFax form at the back of this issue, contact Sue Kuiper of Johnson Outdoors at 262-631-6713, or e-mail skuiper@johnsonoutdoors.com.*

Reward Your Champion

Every company has champions, people that work hard, play hard and succeed. Nike Gift Cards are the perfect employee or client gift. Nike Gift Cards are redeemable in any NIKETOWN, NikeWomen, NikeFactoryStores, Nike store and online at NikeStore.com and NIKEiD.com. Corporate discounts available. *For more information, circle (206) on the FastFax form at the back of this issue or call 877-220-6453.*

Gone Fishin'

Even top performers take time off. You can help them enjoy the outdoors with this Bass Pro Shops® Johnny Morris Elite Baitcast Reel. Designed to meet the high standards of Bass Pro Shops' founder, it is sleek and fast, light and strong. Features a striking cobalt blue titanium deposition finish, bonded directly to the aluminum side-plates. Chip-proof and scratch-resistant, it will continue to look like a winner through many seasons. Circle (201) on the FastFax form at the back of this issue or search item No. 3895187802 at www.basspro.com.

Tip-Top Shape

The TSXa elliptical cross trainer features a patented core drive system that isolates the upper and lower body with the most natural motion available. The exclusive "mix3" program coaches the user through a series of unique push and pull movements designed to target the entire body. The console includes a Motion Man graphic that lights up to show which muscle groups are being worked. It adjusts to the user's stride length with an industry-leading 17- to 26-inch span.

For more information, circle (200) on the FastFax form at the back of this issue or call Jennifer Hagemeyer of Elite Creations (www.elite-creations.com) at 877-725-7326.

All-Inclusive Camping Kit

The Complete Experience Deluxe Camping Package is a one-stop solution. This package will create the great escape for top performers. After they meet their goals, they can relax and enjoy the great outdoors. For more information, circle (204) on the FastFax form at the back of this issue or call Top Brands Inc. (www.top-brands.com) at 800-431-2127.

Talk About a Revolution!

The Revolution Stroller/Jogger features unique pivoting front wheel swivels for quick, all-wheels-on-the-ground turning. It's as easy as steering a bike. Plus it can be locked forward for maximum stability while jogging.

A must-have for any active parent with small children. For more information, circle (202) on the FastFax form at the back of this issue, or call Warren Weaver of Zane's Cycles at 203-483-2622.
